**VOLUNTEERS NEEDED URGENTLY!**

**PAPAL MASS STEWARDS:** Who can volunteer as Stewards? Anyone over the age of 18. People aged 16-17 years can also volunteer if they do so as part of a group, with one adult leader per group and a ratio of one responsible adult to every 10 under-18s within the group.

What role will I have at the Mass? You will be helping to move up to 600,000 people into the park, around the park and then back out of the park after the Mass has ended. Working in two-hour shifts, you will be providing directional support to people from over 110 countries. Will I have to have training? Yes, there will be a training provided over one session with some further follow up venue-specific training closer to the event.

**TRANSPORT:** Will transport and accommodation be provided for me to get to the Phoenix Park? We will not be in a position to provide you with transport or accommodation. We will cater for your needs on the day in terms of food and refreshments. How do I apply for this volunteer role? Visit the website given below and click on the volunteer graphic there.

**MINISTERS OF THE EUCHARIST:** We are seeking the help of around 4,000 ministers of Holy Communion to volunteer for one day distribute Holy Communion at the historic Papal Mass. This is open to any of those who are already trained and assisting in their own parishes. We are looking for the help of lay people, priests, deacons and religious Ministers of Holy Communion. You will need to be steady on your feet. Although there will be some plastic tracking laid down, much of the distribution will be done in the grassy corrals of the Phoenix Park Papal Mass site. [If you are already Garda vetted for WMOF2018, that suffices.]

**TIME:** You will need to be in the Phoenix Park by 10:30AM on SUNDAY 26th August so as to be walked through how and where you will minister.

**LOGISTICS:** For many months we have been making preparations.. We have 4,500 ciboria newly made (patens for the communion hosts) and well over half a million hosts available to us, thanks to the generosity of the Redemptoristine Sisters of St Alphonsus' Monastery, Dublin 9 and the Cistercian Sisters from Glencairn, Co Waterford. In that Gospel of Matthew we hear also how Jesus' disciples carefully "took up what was left over of the broken pieces". It is our hope that we will be able to distribute whatever Holy Communion is left over from the Papal Mass to hospitals and nursing homes all over the island, so that those who weren't able to be present and who followed the Mass on television can receive from this tremendous Godly event.
